

CSCE 230 Project Peer Evaluation Form

Please save the file as follows:

TeamNumber-Name.docx

Example: Team30-ZachSims(.doc/.pdf)

Submit your form via web hand-in by Decemeber 19th, 11:59pm

You will NOT receive 50 points of your project grade if you do not submit your peer evaluation.

1. Fill in the names of your group members (including your name) in the table below. For each task (column), indicate the percentage of contribution that you think each member provided. And give him/her an overall score. Each column should add up to 100%.

Name	Hardware design and implementation	Debug	Reports	Presentation	Overall(up to 50 total points)

Include any additional comments you might have below:
